Safety data sheet in accordance w	ith reg	ulation (EC) No 1907/2	2006	
Trade name: Marabu-Aqua-Linoldru	ckfb. 02	21 250ml Version: 12 / GB		Date revised: 06.10.2021
Substance number: 15100013021		Replaces Version:	11 / GB	Print date: 08.12.21
Method	Br	ookfield		
SECTION 10: Stability and	d rea	<u>ctivity</u>		
10.1. Reactivity None				
10.2. Chemical stability No hazardous reactions know	wn.			
10.3. Possibility of hazardou No hazardous reactions know		tions		
10.4. Conditions to avoid No hazardous reactions know	wn.			
10.5. Incompatible materials None				
10.6. Hazardous decomposit No hazardous decomposition				
SECTION 11: Toxicologic	al inf	ormation		
11.1. Information on toxicolo	gical	effects		
Acute oral toxicity				
ATE Method	> calcul	2.000 ated value (Regulation	mg/kg (EC) No. 1272/2	
Acute oral toxicity (Compo			()	,
1,2-Benzisothiazol-3(2h)-one				
Species	rat	1100		
LD50		1193	mg/kg	
Acute dermal toxicity Remarks	Based	d on available data, the	classification cri	teria are not met
Acute dermal toxicity (Com

Reproductive toxicity				

Safetv	data sheet	in accordance	with regulation	(EC) No 1907/2006
Caroty	aata ontoot	in accordance	manen	(=0)

Trade name: Marabu-Aqua-Linoldruckfb. 021 250ml

Derector			Constant and the data set of the set
Substance number:	15100013021	Replaces Version: 11 / 0	GB Print date: 08.12.2
		Version: 12 / GB	Date revised: 06.10.202

date: 08.12.21

Remarks Based on available data, the classification criteria are not met. Carcinogenicity Remarks Based on available data, the classification criteria are not met. Specific Target Organ Toxicity (STOT) Single exposure Remarks Based on available data, the classification criteria are not met. **Repeated exposure** Remarks Based on available data, the classification criteria are not met.

Aspiration hazard

Based on available data, the classification criteria are not met.

Experience in practice

Exposure to component solvents vapours concentration in excess of the stated occupational exposure limit may result in adverse health effects such as mucous membrane and respiratory system irritation and adverse effects on kidney, liver and central nervous system. Symptoms and signs include headache, dizziness, fatigue, muscular weakness, drowsiness and in extreme cases, loss of consciousness. Solvents may cause some of the above effects by absorption through the skin. Repeated or prolonged contact with the mixture may cause removal of natural fat from the skin resulting in non-allergic contact dermatitis and absorption through the skin. May cause an allergic skin reaction. The liquid splashed in the eves may cause irritation and reversible damage. Ingestion may cause nausea, diarrhoea and vomiting. This takes into account, where known, delayed and immediate effects and also chronic effects of components from short-term and long-term exposure by oral, inhalation and dermal routes of exposure and eye contact.

Other information

There are no data available on the mixture itself.

The mixture has been assessed following the additivity method of the CLP Regulation (EC) No 1272/2008 and classified for toxicological hazards accordingly.

SECTION 12: Ecological information

12.1. Toxicity

General information

There are no data available on the mixture itself. Do not allow to enter drains or water courses. The mixture has been assessed following the summation method of the CLP Regulation (EC) No 1272/2008 and is not classified as dangerous for the environment.

Fish toxicity (Components)

1,2-Benzisothiazol-3(2h)-one Species LC50 Duration of exposure		corhynchus mykiss) h	mg/l
Daphnia toxicity (Compone	nts)		
1,2-Benzisothiazol-3(2h)-one Species EC50 Duration of exposure Algae toxicity (Components	Daphnia magna 2,94 48	h	mg/l
1,2-Benzisothiazol-3(2h)-one Species ErC50 Duration of exposure	Pseudokirchnerie 0,11 72	Ila subcapitata h	mg/l

12.2. Persistence and degradability

Trade name: Marabu-Aqua-Linoldruckft		Maral
Substance number: 15100013021	Version: 12 / GB Replaces Version: 11 / GB	Date revised: 06.10.202 Print date: 08.12.2
Substance number: 15100013021	Replaces version. 117 GB	Fillit date. 00.12.2
General information There are no data available on t	he mixture itself.	
12.3. Bioaccumulative potential	l	
General information		
There are no data available on t	he mixture itself.	
12.4. Mobility in soil		
General information		
There are no data available on t	he mixture itself.	
12.5. Results of PBT and vPvB	assessment	
General information		
There are no data available on t	he mixture itself.	
12.6. Other adverse effects		
General information		
There are no data available on t	he mixture itself.	
SECTION 13: Disposal cons	derations	
13.1. Waste treatment methods		
Disposal recommendations for	or the product	
Do not allow to enter drains or v		
Dispose of waste according to a Dispose of as hazardous waste		
Disposal recommendations for		
-	ed should be disposed off as product waste	е.
Completely emptied packagings	s can be given for recycling.	

SECTION 14: Transport information

Information for all modes of transport

14.6. Special precautions for user

Transport within the user's premises:

Always transport in closed containers that are upright and secure.

Ensure that persons transporting the product know what to do in the event of an accident or spillage.

Other information

14.7. Transport in bulk according to Annex II of Marpol and the IBC Code

no

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

VOC

VOC (EU) VOC (EU) 8,4 % 124,3 g/l

Other information

The product does not contain substances of very high concern (SVHC).

15.2. Chemical safety assessment

For this preparation a chemical safety assessment has not been carried out.

SECTION 16: Other information

Hazard statements listed in Chapter 3

H301	Toxic if swallowed.
H302	Harmful if swallowed.
H311	Toxic in contact with skin.
H312	Harmful in contact with skin.
H314	Causes severe skin burns and eye damage.

Trade name: Marabu-Aqua-Linoldru	ckfb. 021 250ml Version: 12 / GB	Marat Date revised: 06.10.202

H315	Causes skin irritation.	
H317	May cause an allergic skin reaction.	
H318	Causes serious eye damage.	
H319	Causes serious eye irritation.	
H330	Fatal if inhaled.	
H332	Harmful if inhaled.	
H335	May cause respiratory irritation.	
H400	Very toxic to aquatic life.	
H410	Very toxic to aquatic life with long lasting effects	3.
H411	Toxic to aquatic life with long lasting effects.	
CLP categories listed in Cl	napter 3	
Acute Tox. 2	Acute toxicity, Category 2	
Acute Tox. 3	Acute toxicity, Category 3	
Acute Tox. 4	Acute toxicity, Category 4	
Aquatic Acute 1	Hazardous to the aquatic environment, acute, C	Category 1
Aquatic Chronic 1	Hazardous to the aquatic environment, chronic,	Category 1
Aquatic Chronic 2	Hazardous to the aquatic environment, chronic,	Category 2
Eye Dam. 1	Serious eye damage, Category 1	
Eye Irrit. 2	Eye irritation, Category 2	
Skin Corr. 1B	Skin corrosion, Category 1B	
Skin Irrit. 2	Skin irritation, Category 2	
Skin Sens. 1	Skin sensitization, Category 1	
Skin Sens. 1A	Skin sensitization, Category 1A	
STOT SE 3	Specific target organ toxicity - single exposure,	Category 3

Supplemental information

Relevant changes compared with the previous version of the safety data sheet are marked with: *** This information is based on our present state of knowledge. However, it should not constitute a guarantee for any specific product properties and shall not establish a legally valid relationship. The information in this Safety Data Sheet is based on the present state of knowledge and current legislation.

It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of technical performance or suitability for particular applications. The product should not be used for purposes other than those shown in Section 1 without first referring to the supplier and obtaining written handling instructions.

As the specific conditions of use of the product are outside the supplier's control, the user is responsible for ensuring that the requirements of relevant legislation are complied with.

The information contained in this safety data sheet does not constitute the user's own assessment of workplace risks, as required by other health and safety legislation.
